Jim - FYI - didn't know if you were going to use ppt for the JSCS - if
so see Libby's note below.

Hi Chip,
I just spoke with Renee, who indicated that you were giving a
presentation at the Milestone meeting on 9/12. The Port's IT person
recommends that you bring the presentation on CD or a memory stick,
rather than on a laptop. If you could arrive about an hour early (9:00)
and contact Andrea Davis, she will contact the IT department to set up
and run through your presentation and show you how to use the equipment.
If you think it would be helpful, you can also email your presentation
to Andrea as backup.

Please let me know if you have any questions!
Libby
